Umbro International and Umbro North America, Fairbluff, NC, and Greenville, SC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 8, 1998, applicable to all

workers of Umbro North America, located in Fairbluff, North Carolina. The notice was published in the **Federal Register** on February 6, 1998 (63 FR 6209).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The investigation findings show that Umbro International is the parent firm of Umbro North America. Findings also show that worker separations are expected to occur at the subject firm's Greenville, South Carolina location in March 1998 and continue through June 1998 when the entire company closes. The workers produce soccer shorts and jerseys as well as provide administrative and support function services for Umbro International. Also, the Department incorrectly limited the certification to "all workers engaged in employment related to the production of soccer shorts and jerseys."

Accordingly, the Department is amending the certification to cover workers at the subject firms' Greenville, South Carolina location.

The intent of the Department's certification is to include "all workers"
